

We invite you to participate in the **Fourteenth International Conference of the Catalan Association of Artificial Intelligence (CCIA 2011)**, which will take place on **October 26-28, 2011** at the University of Lleida.

The main goal of this conference is to foster discussion around the last works in Artificial Intelligence which have been developed by the research community of the Catalan Countries, as well as gathering community members.

We encourage you to contribute with finished works as well as preliminary works with promising original and innovative ideas from the following areas:

Agents and multi-agent systems	Planning and optimization
AI applications	Constraint programming
Machine learning	Evolutionary programming
Knowledge engineering	Speech recognition
Fusion/Aggregation of information	AI problem solving
Real time AI	Robotics
Natural language	Satisfiability
Data mining	Fuzzy systems
Reasoning models	Artificial life
Perception	Artificial neural networks

Contributed papers should have at most 10 pages. The submission deadline is May 12, 2011. Find more information about submissions and author instructions on the conference web site: <http://ccia2011.udl.cat>. Contact us by email at: [ccia2011@diei.udl.cat](mailto:ccia2011@diei.udl.cat).
